Numeracy

This term **Primary 5** will be learning about time and calculating time intervals and converting minutes into seconds. We will also look at adding, subtracting, multiplying and dividing decimal numbers.

This term **Primary 4** will be learning about time using the 12 hour clock to record times in am and pm. We will also be looking at counting on and back in 2's, 3's, 5's and 10's and multiplying whole numbers by 10 and 100.

HWB

November focus: Achieving

December focus: Nurture

PE focus: Possession and Central net and wall games.

Literacy

Our writing focus this term is functional and we will be creating instructions and formal and informal letters.

We will continue to reinforce spelling rules, uplevel our sentences and ensure they contain a connective, WOW words and the correct punctuation.

For reading we will continue to concentrate on answering and creating questions with our Blooms Button fans. We will also be learning to make notes to give us a better understanding of what we are reading.

Other Curricular Areas

Our **topic** this term is Social Media. We will be looking at the positives and negatives of using social media and making the correct choices in keeping ourselves safe online.

In **Science** we will be looking at the Changing states of water.

For **Expressive Arts** we will be exploring using **drama** to get our opinion and message across. We will explore how **art** is used to reinforce culture and traditions and broaden our experience of singing and using actions.
