### Literacy

#### Writing

This term, we have been working on creative writing, including writing poems and creating imaginative stories.

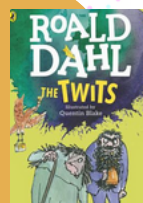

#### Reading

We are continuing to read our reading books at home and in school during our reading groups. We are also currently reading 'The Twits' by Roald Dahl as our class novel study. Ask us about this at home!

#### Talking and Listening

Talking and listening discussions take place daily, and we remember our T&L rules when doing so!

### Term 3 Topic

This term, our topic is going to be a novel study of The Twits by Roald Dahl. This will be linked to other areas of the curriculum.

### Numeracy

This term, we are focusing on using symbols to represent 'more than' or 'less than'. We are learning a variety of strategies to help us with division, beginning with equal groups.

Our number talks will involve lots of these strategies that we learn, so that we can hear from others and listen to how they may have solved a problem differently.

Our beyond number topic is time! This will involve learning to tell the time on both analogue and digital clocks. A good one to practise at home!

## Health and Wellbeing

This term, we will cover 3 wellbeing indicators: *active, respected and responsible*. Health and Wellbeing also includes PE, and our focus this term is rebound games. A reminder that our PE days are a Monday and a Friday!

Having fun in PE!

## Other Information

- P3 Festival entry - 1st February
- Class Assembly - 31st May
- PE Days - Monday and Friday
- Homework collected every Thursday

## OTHER CURRICULAR AREAS

### Science

Our science focus for term 3 is Energy Sources. We will explore all the different forms of energy around us.

### Music

This term, we will be learning lots in music! We are learning a traditional tale from India - Lakshmi and the Clever Washerwoman - and will tell the story through song! Also, we will be practising for our Inverclyde Music Festival action song.

Our class will also feature in the schools Easter Service on the 28th March.
