TERM 3

What we are Learning

Literacy.

This term we are focussing on our Imaginative writing. We have written a descriptive setting for our story and we are now writing about our characters. In Reading, we'll continue to focus on improving our fluency, tone and expression, as well as our comprehension skills. We are reading the novel "A Pattern of Secrets".

Health & Wellbeing

During PE time we will be focussing on possession games such as rugby, basketball, football and hockey. During our PATHS lessons we will continue to work on our emotional literacy and be able to discuss our feelings and emotions and ways in which we can manage uncomfortable emotions, such as anger.

Numeracy.

This term we are learning about fractions, percentages and decimals. We are practising mental maths strategies to help solve calculations. We are also revising telling the time and working out time intervals. We have still been completing "Big Maths Beat That" challenges and trying to beat our best scores!

Topic

Our Term 3 topic is "The Victorians." We will be carrying out our own personal research to create an information booklet about our chosen topic area within the wider topic of The Victorians. We will be looking at aspects such as the Queen, jobs during this era, education, inventions, & fashion.
