TERM 4

What we are learning

Literacy.

This term we are focussing on our Informative writing, particularly report writing and discursive texts. In reading, we are working to improve our comprehension skills. We are using Picture News as a stimulus to work on our dialogic skills.

Numeracy.

This term we are learning about probability. We are improving our mental maths strategies to help solve calculations. We are working on our problem solving skills by completing puzzles and working through the steps and strategies to solve complex problems. We are exploring and creating data and graphs as part of information handling.

Health & Wellbeing

During PE time we will be focussing on possession games and creative dance. We will continue to work on our emotional literacy and being able to discuss our feelings and emotions. We will begin our RSHE program and explore relationships and keeping ourselves safe and healthy.

Topic

Our Term 4 topic is "Sustainable and Renewable Energy." We will be carrying out our own personal research to create an infographic poster about energy. We will be looking at aspects such as the Global Goals, STEM challenges and how to conserve energy.
