

BUN-SGOIL CHNOC A' CHONAISG

CUAIRT-LITIR GP1-3

WHINHILL PRIMARY SCHOOL

GP1-3 NEWSLETTER

TERM 3

LITEARRACHD LITERACY

- This term we are focusing on reporting and personal writing.
- We will also be doing personal talks this term – more info to follow.
- P1 will be working towards writing short sentences independently.
- P2-3 will be developing their note taking skills, focusing on key words in a text.
- As we near the end of the school year we will be looking to secure more confidence in our spoken Gaelic – looking back at what we have learned.

ÀIREAMHACHD NUMERACY

- We are focusing on grouping and multiplication/division this term.
- We will also begin learning about fractions this term.
- For beyond number we will be learning about money and direction/movement.
- The class will be learning to identify and confidently use different combinations of coins.
- Within direction and movement, children will develop a foundation of language for speaking about directions and movement.

SLÀINTE AGUS SUNND HEALTH AND WELLBEING

- From our wellbeing indicators, we will be focusing on 'Included' during April and May, and recapping all wellbeing indicators throughout June.
- Our visible learning focus this month is 'Resilience' and we are looking at how we use resilience across our learning.
- Our focus for PE this term is Striking and Fielding through summer games.
- We will be learning about the body and privacy this term too.

CUIMHNICHIBH REMINDERS

- PE days - Tuesday and Thursday (No jewellery to be worn)
- Homework is sent out on a Monday to be returned on a Thursday - P1 will receive a reading book this term.

RUDAN EILE OTHER AREAS

- Topic - We are continuing to explore our topic 'An Coille-uisge' (The Rainforest) this term and we will continue looking at some of the themes we had in our class assembly e.g. how to look after our environment.
- Science - We are learning about the sun, the moon and the stars.
- RME - We will be learning about Christian weddings and their traditions.
- Technologies - We have an exciting project this term that is closely linked to our topic that will look at designing, building and solving problems.
