Literacy

Writing

This term, we will be working on personal writing, including writing diary entries and creating instructions.

Reading

We are continuing to read our reading books at home and in school during our reading groups. We are also currently reading 'The Magic Faraway Tree' by Enid Blyton as our class novel. Ask us about this at home!

Talking and Listening

Talking and listening discussions take place daily, and we remember our T&L rules when doing so!

Term 4 Topic

This term, our topic is an enterprising topic called 'Ollie the Octopus'. Look out for further information as we will need your help with this!

Numeracy

This term, we are continuing our learning about division as we learn more strategies to help us with this. We will also be using this to help us with fractions!

Our number talks will involve lots of these strategies that we learn, so that we can hear from others and listen to how they may have solved a problem differently.

Our beyond number topic is 2D and 3D shapes. This will involve learning the names of all the different shapes and being able to describe them.

Health and Wellbeing

This term, we will cover the wellbeing indicator *included*. Health and Wellbeing also includes PE, and our focus this term is possession games. A reminder that our PE days are a Monday and a Friday!

Having fun in PE!

Other Information

- Class Assembly - 31st May
- PE Days - Monday and Friday
- Homework collected every Thursday
- Friday 24th - Monday 27th May - Holiday Weekend

OTHER CURRICULAR AREAS

Science

Our science focus for term 3 is forces. We will explore different types of forces.

Music

This term, we will be learning lots in music! We are learning a traditional tale called Anansi and the Moss-Covered Rock and will tell the story through song! Also, we will be practising for our class assembly at the end of May.

Just a reminder that our class assembly is Friday 31st May at 9:30am.
