

Primary 3
Term 1

Whinhill Primary School Bun-sgoil Chnoc a' Chonaisg

NEWSLETTER

Literacy

Writing

This term we are working on personal writing, including poetry and recount.

Reading

We have our own reading books to read at home as well as in class. Our class novel this term is *The Boy Who Grew Dragons* by Andy Shepherd.

Talking and Listening

We work on our talking and listening skills daily through discussions and have created our class Y chart to help us remember these.

Term 1 Topic

This term we will be learning about Rainforests, the animals who live there and how they contribute to our diverse world.

Numeracy

This term we are learning number processes - addition and subtraction. We have been working on place value to help with this and will continue using our strategies to add and subtract.

Our daily number talks help us with these strategies as well, as we listen to others and see if they might have worked out a problem differently.

Our beyond number work this term is 2D shape and 3D objects. We will be learning different shapes and how to describe their features.

Health and Wellbeing

Our focus wellbeing indicators for this term are Safe, Included and Respected. As we settle into our new class we want all members of our class and school to feel they are safe, included and know their rights as well as the rights of others. In P.E we are working on our Athletic skills and improving our own performance across different disciplines.

Having fun in P.E!

Other Information

P.E days - Tuesday and Thursday.

Homework collected every Thursday.

Holiday weekend Friday 27th - Monday 30th September.

Other Curricular Areas

Science

Our science focus for term 1 is Senses. We are learning how our senses help to keep us safe and finding out about how they work.

Art

We are learning about elements of art including colour, line, tone and texture and putting all of these together to make amazing masterpieces.
