P6 NEWSLETTER

TERM 1

What we are learning

Literacy.

This term we are focussing on our personal writing, particularly recount writing. In reading, we are working to improve our questioning skills. Our class novel this term is "Hag Storm" by Victoria Williamson. We are using Picture News and our class novel as a stimulus to work on our dialogic skills.

Numeracy.

This term we are learning about place value up to 6 digit numbers. We are improving our mental maths strategies to help solve addition and subtraction calculations. We are also learning about shape and are transferring our learning into the world around us.

Health & Wellbeing

During PE time we will be focussing on athletics. We will continue to work on our emotional literacy discussing our feelings and emotions during daily check ins. We will be learning how to keep ourselves safe online and how to make good choices in school and beyond.

Topic

Our Term 1 Topic is Natural Disasters. We will be carrying out our own personal research to create a news report. We will be conducting STEM activities and exploring our topic through playful opportunities.
