Term 2

Class News

P5 have had a fantastic start to term 2 and are continuing to work hard across the curriculum! The class is building on the great work they have produced in term 1. I am looking forward to seeing them all progress in their learning.

Health and Wellbeing

We will be focusing on promoting alternative thinking strategies. Mr Trench and Mrs Homer will continue to promote our talking and listening skills when learning about feelings and relationships.

Literacy

This term we are focusing on functional writing. We will be creating instructions, recounts, reports and letters across various contexts and themes. We are continuing to reinforce spelling rules and up-level vocabulary, connectives, openers and punctuation to increase the maturity of our writing. Our reading groups are building skills summarising and predicting. By the end of Term 2, P5 will be able to present to the class using appropriate expression, volume and tone of voice, engaging their audience.

Numeracy

P5 are developing their confidence and competence in strategies for addition, subtraction, multiplication and division. We have daily number talks to reinforce these strategies to solve calculations. For our beyond number learning, the pupils are focusing on expressions and equations with Mrs Homer.

PE

Our focus within PE this term is on team games. Our PE days are Monday and Wednesday.

On Mondays we will be learning about netball and on Wednesday we will work on dodgeball.

Topics

During term 2, we are learning all about Spain. We will be learning about Spanish people, food, major cities and art.

Homework

Homework will be given out on a Monday.

All homework will be due on a Thursday.

I kindly request that reading books are brought into school every day, so that we can continue to develop our reading skills.

Thank you for reading our P5 newsletter and supporting us in our learning!

Important Info

- After school club forms will be out soon via email.
- Outdoor learning opportunities are an important part of our curriculum, so we encourage pupils to come prepared with outdoor clothing suitable for our changeable climate!
- Please ensure pupils have sandshoes/indoor shoes to change into for the school day.

Please follow our learning journey on X to keep up to date with all the fun experiences we have in P5!
