## Numeracy

This term **Primary 5** will be learning about money, adding and giving change within £20.

We will also look at addition, subtraction and multiplication.

This term **Primary 4** will be learning about money, identifying and using coins up to and including £2. We will also look at addition, subtraction and multiplication.

## Literacy

Our writing focus this term is functional, focusing on letter and instructional writing.

We will look at both formal and informal letter writing and the different language that is used in each. We will also be creating our own recipes and instructions and using the correct layouts with subheadings. For reading we will continue to use our Blooms Button fans and create our own questions. We will also look at the difference between fact and opinion.

## HWB

**October** focus: Healthy

**November** focus: Achieving

**December** focus: Nurtured

**PE focus:** Swimming and Possession Games - Hockey & Football.

## Other Curricular Areas

Our **topic** this term is Social Media. We will be looking at how to keep ourselves and others safe online.

For **Expressive Arts** we will be researching Andy Warhol - one of the first digital artists using Pop Art. We will also be using some digital pieces from James Faure as inspiration in our own artwork.

In **Music** we will be looking at body percussion to create musical ideas using sounds, rhythm and pitch.
