TERM 2

What we are learning

Literacy.

This term we are focussing on our functional and persuasive writing. In reading, we are working to improve our clarifying and summarising skills. We will continue with our class novel "Hag Storm" by Victoria Williamson. We are using Picture News and our class novel as a stimulus to work on our dialogic skills.

Numeracy.

This term we are learning about addition and subtraction strategies. We are improving our mental maths strategies during our daily Number Talks. We are also learning about Time and Money and are transferring our learning into the world around us.

Health & Wellbeing

During PE time we will be focussing on Possession Games such as Hockey. We will continue to work on our emotional literacy discussing our feelings and emotions using the Paths program. We will be learning how to keep make healthy food choices by exploring the Eatwell plate.

Topic

Our Term 2 Topic is Europe. We will be carrying out our own personal research to deliver group presentations to our peers. We will be conducting STEM activities and exploring our topic through playful opportunities.
