Class News

We can't believe that we are now in Primary 7! We have so many exciting leadership opportunities to look forward to this year and we can't wait to share them all with you. This term we will be hosting the first class assembly on the 19th September and are setting up our lovely classroom for the year ahead. We are so delighted to be buddies for our new P1 and P2 pupils!

Health and Wellbeing

This term we are focusing on the wellbeing indicators Safe and Healthy. We will be learning how to keep ourselves and others safe. We will also be looking at making healthy choices, using the Choices for Life resources. We are going to be using PATHS to think about regulating emotions and developing organisational skills.

Literacy

At the beginning of the term, we created our Y-chart, which sets our classroom ethos for talking and listening experiences for the year. It reminds us of what good dialogue looks, sounds and feels like so we can be successful in our learning, sharing our ideas and building on those of others. We are focusing on personal writing, and will be creating pieces that reflect on events, experiences, thoughts and feelings. We are working on up levelling vocabulary, connectives, openers and punctuation to increase the maturity of our writing and make it more interesting for the reader. In reading, we are building the reciprocal reading skills of predicting, questioning, summarising and clarifying, working in our reading groups to explore and understand texts.

Numeracy

P7 are developing their confidence and competence in strategies for addition and subtraction and we have daily number talks to reinforce our learning. We are focusing on place value of 5, 6, 7 and 8 digit numbers, building understanding of number structure and order. In our beyond number work, the pupils are focusing on shape, looking at 2D and 3D shape and their nets. They are extending their knowledge to look at shape in their environment and other areas of maths and the curriculum, using technologies to support this.

PE

Our PE days are Thursday and Friday and our focus of learning is Athletics. Through this, we are developing our stamina, speed and coordination, as well as our resilience, perseverance and determination to reach personal goals. Pupils are reminded that jewellery should be removed, and fake nails are not permitted.

Other Curricular Areas

Topic

P7 are reading the novel, Divided City, investigating the impact of religion and football on Scottish history and culture.

Science

In science, we are looking into various forms of renewable energy. This links into learning for sustainability and our global goals.

Languages

We are revising our previous learning of French and developing our initial conversational skills. We are also consolidating numbers, colours, days of the week and months of the year, incorporating this in our daily routine. We are also taking part in weekly online Gaelic lessons with e-Sgoil.

Expressive Arts

We are learning to use textiles to develop weaving skills. We shall also be incorporating use of line and colour for activities across the curriculum. We are also developing drama conventions through topic work and in the performance aspect of our assembly.

Homework

Spelling and Numeracy – All homework will be given out on a Monday and collected on a Thursday'

Reading – This will be given out on a Thursday and will be due the following Thursday. Pupils are asked to come prepared with questions for their reading group, to develop understanding of the text as well as dialogic skills.

Thank you for reading our P7 newsletter and supporting us in our first term of learning!

Important Info

- Outdoor learning opportunities are an important part of our curriculum, so we encourage pupils to come prepared with outdoor clothing suitable for our changeable climate!
- Please ensure pupils have sandshoes/indoor shoes to change into for the school day.

Please follow our learning journey on X to keep up to date with all the fun experiences we have in P7!
