Term 2

Litearrachd

Literacy

- We will be focusing on report writing and instructional writing. This will help to prepare us for our food technology lessons.
- All pupils will continue to develop their Gaelic and English spelling skills and strategies.
- We will be working on our questioning skills by looking more closely into a text.
- We will use our understanding of the difference between a fact and an opinion to help us better understand a text.
- Importantly, we will continue to develop our dialogic skills across the curriculum to ensure a deep and meaningful understanding of all of our learning.

Àireamhachd

Numeracy

- We are focusing on addition and subtraction this term.
- Pupils will be encouraged to select and talk about a suitable strategy to solve number problems, this will be demonstrated through number talks.
- We will be applying our addition and subtraction strategies to a money context.
- Finally, we will be developing our knowledge and application of angles, symmetry and transformation.

Health and Wellbeing

- From our wellbeing indicators, we will be focusing on **Achieving** during November and **Nurtured** during December.
- Our visible learning focus this month is **Creative** and we are looking at how we use this across the curriculum.
- Our focus this term for PE is gymnastics.
- We will be looking at how to keep our body healthy and using food technologies to support this. Children will learn to prepare a few select recipes and the importance of keeping our bodies moving too.
