Numeracy

We will be exploring and developing our understanding of place value, partitioning numbers to 1000 and learning a variety of addition and subtraction strategies. We will also be learning about time, angles, symmetry and transformation.

Literacy

We will be continuing to develop our reading, writing and talking and listening skills. We will be developing our questioning and comprehension skills through our class novel. We will also be using our Y-Chart to aid us during our reading discussions, as we begin to create questions at home for our weekly reading lessons. We will be focusing on functional writing.

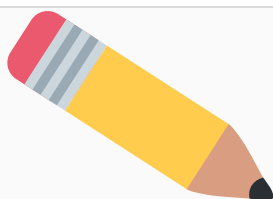

HWB

We will be developing our knowledge of how to lead a healthy lifestyle and about the 5 different food groups from the Eatwell plate. We will also be learning how to look after our teeth. We will continue our PATHS work with Mrs Carter.

PE

Our PE days are Monday and Wednesday each week. Please remember to send your child to school on these days with their PE kit and no jewellery should be worn.
