### P6 TERM 2 NEWSLETTER

### Class News

Welcome back! I hope you all had a nice, relaxing October break and had some well earned family time! We have hit the ground running with our learning this term and we are very excited for the term ahead! It was lovely to meet you all at parents evening and I would like to take this opportunity to thank you all for your support. We have a very busy, glittery term ahead and I'm sure we will be more than ready for our Christmas break in just 8 weeks time!

### Homework

Spelling, reading and numeracy homework will be given out on a Monday and collected on a Thursday.

All children are asked to come prepared with questions for their reading group. This block we will begin with understanding questions then moving on to applying questions later in the term.

## Numeracy

P6 are developing their confidence and competence in strategies for multiplication and division. We also have daily number talks to reinforce our learning. We are focusing on multiplying and dividing numbers mentally drawing on known facts.

P6 are also focusing on comparing costs to determine what is affordable within a given budget.

## Literacy

We are focusing on functional writing, and will be creating formal and informal letters, instructions and recipes. We will continue to work on up levelling vocabulary, connectives, openers and punctuation. In reading, we will be making relevant comments about structure, characterisation and/or setting with reference to the text.

## HWB

During Health and Wellbeing this term we are focusing on the wellbeing indicators Achieving and Nurtured

PE focus: Dance and Possession Games - Rugby.

## Other Curricular Areas

This term the P6 topic is Europe where they will work with the other P6 class. We will be learning about everything Europe and the boys & girls will even teach each other about their chosen country in a mini presentation they will prepare for home learning. This is due Wednesday 26<sup>th</sup> November and details can be found on email already sent out.

In **Science** we will be learning about Food Webs and different animals role within them.

In **French** we will be learning new numbers, colours and months of the year. For **Expressive Arts** we will be focusing on still life and using the Scottish Colourists as inspiration. We will also be trying out a new instrument and performing our skills to the rest of the class.
