Numeracy

We will be exploring and learning a variety of addition and subtraction strategies. We will also be continuing number sequences in 3's & 4's. In beyond number, we will be learning about time, angles, symmetry and transformation.

Literacy

We will be continuing to develop our reading, writing and talking and listening skills. We will be developing our questioning and comprehension skills through our class novel and reading books. We will also be using our Y Chart to aid us during our reading discussions, as we begin to create questions at home for our weekly reading lessons. We will be focusing on functional writing.

Other Curricular Areas

Health & Wellbeing

We will be developing our knowledge of how to lead a healthy lifestyle and about the five different food groups from the Eatwell plate. We will also be learning how to look after our teeth. Our PE days are Tuesday and Wednesday each week. This term we are looking at athletics and fitness. Please remember to send your child to school on these days with their PE kit and no jewellery should be worn.
We will also continue our work in PATHS.

Reminders

Can you please ensure that your child has a pair of gym shoes to wear in school and that all clothing, especially cardigans, jumpers and coats are clearly labelled. If any gym shoes need to be replaced throughout the year, they will be put in your child's bag.

Remember to bring a water bottle and a snack every day, especially as the class can be very warm on sunny days.
