LITERACY

This term we are focusing on functional writing. We will be learning to write instructions, letters and use persuasive language. We will be using events such as Halloween, Guy Fawkes Night and Christmas as a stimulus for our writing. In reading, we will be focusing on punctuation and reading with expression.

NUMERACY

Our focus for numeracy this term is addition and subtraction. We will be developing our mental maths skills and exploring different strategies to help us solve calculations and problems. We will be transferring our knowledge to count money and make totals using a range of coins.

HWB

This term we will be starting swimming! We will also be learning some traditional Scottish dances in PE. We will also be learning about the impacts smoking can have on the body.
