### Comments

- The Nursery is welcoming and friendly. I feel at times it must be a little busy! However, there are ample areas to work in and the children are kept busy and active by the staff.
- Always a warm welcome by all staff. Logan normally very happy to go in even on off days always a member of staff to distract him I leave. Always lots of activities to do, also he always comes home clean so pleased with that.
- Teachers are always easy to talk to
- Really happy with the Nursery – staff are lovely

Do you have any questions, comments or concerns?

- Information is shared within the Nursery and is easy to see. I also appreciate social media/website sharing of information
- I think it is far too small
- I think moving the trays as you go into the playroom would make more space when we are coming in and out
- Menu would be better displayed on notice board as you walk into Nursery easier to see, if I ask often I get a generic answer such as bread or cheese.
- Pegs are great however would appreciate someone making sure kids put the belongings back in right place such as hats and gloves.
