### **REVISION STUDY SESSIONS**

On the days prior to your exams, support will be available from teachers should you require it (as shown over). The purpose of revision sessions is to provide opportunity for “last minute” help from your teachers with concepts or topics you may need assistance or reassurance with. Teachers will be providing support in their non-contact/timetabled class time. You do not need to sign up, just drop in when support is being offered according to the timetable overleaf.

Some of your teachers may have also offered additional support at other times not shown, which is something you should also consider taking advantage of. Teachers concerned will have discussed this with you already. Remember that if you are in school, you should sign in and be wearing school uniform.

All the very best for the forthcoming exam period!

Yours sincerely

Mrs E Bain  
Acting Depute Head Teacher
