To

All Parents
Anderson's Primary School
Forres

30 April 2020

Dear All,

Hope this finds you all safe and well. We also hope that the new reality of life with the combination of staying home, working from home and looking after schooling at home is not too overwhelming for you.

As you will agree, all the teachers have been doing a fantastic job to keep the teaching and learning going as much as possible in these extraordinary circumstances. There is no doubt that they have put in a lot of energy and effort into making learning from home possible and, importantly, keep personal contact with their pupils. We are grateful to all the teachers for braving this new world of teaching and interacting with the student community, and to Mrs Neil for all the hard work to make sure all aspects of the school continue to function as smooth as possible.

We acknowledge that some families may find accessing schoolwork at home difficult. We are working with the school to find ways to remove any obstacles as much as possible so that all can take part and benefit from the current modes of schooling.

A meeting of the Anderson's Parent Council is scheduled to meet on Tuesday, 5th of May. However, given the changed circumstances, we will now postpone the meeting until when we can meet in person as a group. Once the restrictions are eased enough we will find a new date for this.

In the meantime, if there are matters you wish to bring to our attention, please feel free to get in touch with us by email: andersonsparentcouncil@gmail.com. We will do our best to address any concerns.

Keep well!

With all good wishes and kind regards,

Hamilton.
