## Mortlach Nursery Newsletter 6

**Teamwork Makes the Dream Work**

### **Welcome back**

Welcome back everyone, we hope you had an eggstraordinary Easter break and are back ready for some fun learning in term 4.

We are delighted to be welcoming three new families to the nursery and we are sure you will make them all feel very much part of the team!

Term 3 was another very successful term with some fantastic work around the Zones of Regulation and lots of outdoor play. We are hoping, with the lifting of shielding on or around the 26<sup>th</sup> April, that we can get back together as a team at Mortlach to continue the great work that had been done last term.

Staffing will be:

Christine Anderson – Senior Early Years Practitioner

Michelle Darroch – Early Years Practitioner

Laura McConnachie – Early Years Support Worker & PSA

Kristine Milne – Early Years Support Worker & PSA.

### **LEARNING JOURNALS**

Learning Journals are now up and running, please try and find time to look at your child's learning journal each week and enjoy sharing their successes with them. We would be delighted for your support by commenting each week on the progress your child is making.

### **New Lunch Menus**

A new 4 week menu will begin on Week 1 of Term 4. I have attached a copy to this email for you to refer too. The children are making very good progress at lunchtime and are enjoying a wider range of foods. Our aim is to make lunchtime a relaxed and social occasion for all children.

### **Sun Cream**

Believe it or not, summer is just around the corner and we will be hoping to spend lots of time outside in the sun. ☀

Please supply a bottle of sun cream, a minimum of Factor 30 but preferably Factor 50, for your child to apply when necessary. Please make sure that your child's name is clearly written on the bottle.

### **Transition**

During term 4, children moving on to school will be invited to attend sessions at Mortlach Primary School. We aim to try and keep these sessions outdoor based as far as possible due to current Covid guidance. We will keep you updated when dates and times have been finalised.

### **Covid Restriction**

A wee reminder that we continue to be in a lockdown period with only some restrictions being lifted. Please ensure that you still adhere to the 2m social distancing when dropping off and picking up your child and please also remember to wear your mask. Staff will be continuing with the rigorous cleaning schedule and encouraging good personal hygiene with the children.

**The nursery team would like to take this opportunity to thank you for your continued support during this challenging time.**

**Mitch Fraser  
Nursery Manager**

#### **Dates for your diary:**
