

Starting School Home Activity 9

Seafield Rocks!

To help support your child getting ready for school, below is an activity which can be completed to remind your child of what they will need in their school bag.

1. Collect 7-8 small stones from the beach or forest.
2. On each stone, draw a picture of an item your child will need bring to school every day.
3. Discuss with your child about these items and what they will be used for.

Below are some examples of pictures that can be drawn onto your story stones.
