

SCIENCE

LI: We are learning about the life cycle of a butterfly.

SC: I can describe the stages of a butterfly's life cycle.

Activities

1. Read or watch the story - *The Very Hungry Caterpillar* by Eric Carle. <https://www.youtube.com/watch?v=75NQK-Sm1YY>
2. Watch the **powerpoint** about the life cycle of a butterfly.
3. Make a Butterfly Finger Puppet.

Other Activities - optional

1. Act out the different stages of a butterfly... tuck up into a ball like the egg... move along the ground like a caterpillar... fly around like a butterfly!
2. Sing a song about *The Tiny Caterpillar* - the words are on the accompanying sheet.
