1. Watch/Listen - on Youtube:

["Mozart Piano Sonata No 16 C major K545 Barenboim"](#)

Do you remember what a Sonata is?!

It's a piece of music which features just one instrument, with possible accompaniment (e.g. on a piano), so in this piece of music - since it's only on a piano - there is one instrument only!

The whole piece of music lasts for about 8 minutes, but is split into 3 sections: the first is fast - 'Allegro'; the second is at a walking pace - 'Andante'; and the third is lively - 'Allegretto' (which is slightly slower than Allegro).

Hope you enjoy it!
