

Subtracting from 100 Space Race

How fast can you subtract multiples of 10 from 100?
Subtract the numbers on the track from 100 and write in the answers.
Use a timer to see how long it takes you to finish the race!

The track is a winding purple path with a central white circle. It consists of several segments with numbers written on them. The numbers are: 10, 30, 90, 50, 40, 0, 20, 60, 100, 80, 70, 60, 90, 50, 30, 70, 20, 40, 80, 10, 100. The track starts at a rocket labeled 'START' at the bottom left.
