

Art Lesson - Rainbows

This week I thought it would be fun to make some rainbows. I saw this idea and thought they looked so bright and beautiful. You could maybe spread some happiness by delivering or sending one in the post to your auntie, granny or friend. You could even send one to a resident in a care home. They would feel so happy to know you are thinking of them.

You will need;

- A cardboard rainbow shape (an adult could cut one out for you, you could use an old cereal box!)
- Glue
- Colourful bits of paper
- Ribbons, buttons, pompoms, etc
- A pipe cleaner or thin wire to hang it up (optional)

Have fun making your rainbow and send us a picture on Seesaw. Love from Mrs Kendrick x
