

Lesson 3

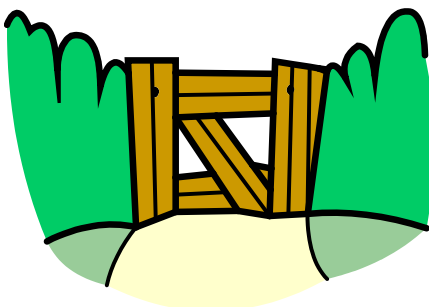

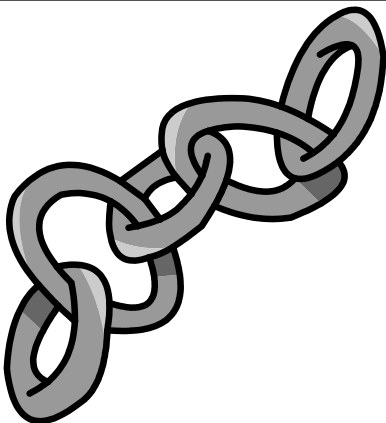

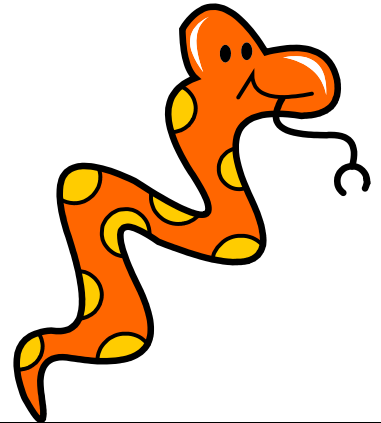

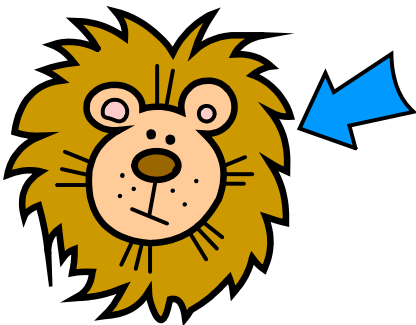

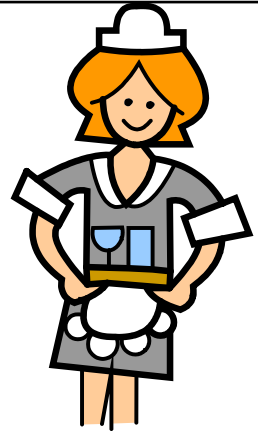

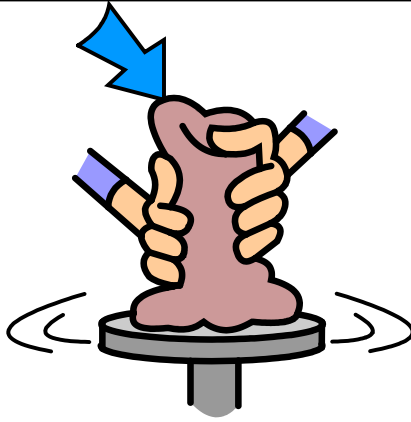

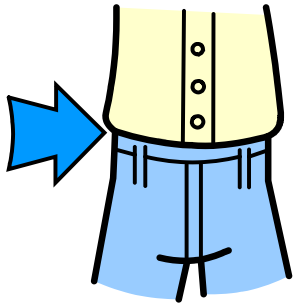

Sort and spell words.

Try to remember which sound you need.

This is not a skill we expect you to have mastered in the first go. It will take weeks of practise and we want you to keep coming back to this job regularly. In P2 you will continue to work on recognising the different sounds .

Sort the pictures into ai or ay or a with magic e.

Write each word and try to remember which sound you need, this will be very tricky so you will need to keep practising when you can.

Match the words to the pictures

waist

chain

play

pray

clay

gate

mane

cake

maid

snake

rain

X-ray
