

BISHOPMILL PRIMARY SCHOOL – P1 TRANSITION

ACTIVITY OVERVIEW

Hello and welcome to Bishopmill Primary School! We are delighted to be starting our partnership with you in preparation for your child starting school with us (hopefully in August).

We are asking for you to support us in completing a few tasks that we would normally undertake with you and your child during the transition visits. We would like you to complete these tasks over 5 weeks so we can get to know each other better. Please only complete and send in one task per week, so that your child can gradually get used to the idea of school.

To help you with this, we will add another instructional clip to our school website each week for you and your child to watch. <https://blogs.glowscotland.org.uk/my/bishopmill/>
