

## Art Lesson - Chalk Outdoors

This week I thought it would be fun do some art outside! You will need some colourful chalk or some chalk paint and a space to chalk on, like a path in your garden or a nice pavement outside your house.

Look at these pictures for some ideas and have a go at one.

Get your grown up to take a photo of you with your artwork, like the children in the photos!! If you don't want to be part of the picture that's fine. The most important thing is to have fun!

**Remember - Don't wear your best clothes for this activity!!!!**

Lots of love from your teachers xxx
