

# SCIENCE

LI: We are learning more about our senses.

We are learning about touch.

SC: I can describe how some different objects feel.

I can explore my sense of touch.

## **Activities**

1. Watch the **powerpoint** about touch.
2. Play **The Box Game (PDF)**.
3. Watch **How Your Skin Works** -  
<https://www.youtube.com/watch?v=aMGgCxUyXT8>
4. Try the **Paperclip Investigation** - Where can you feel both points of the paperclip?

## **Optional Activities:**

1. Make a **poster** about touch. Draw around your hand. Glue and label an item with a different texture on each finger (**powerpoint**).
2. Sing the **touch action song** with a partner (**powerpoint**).
3. Touch: Safe/Unsafe **cut and stick** activity (**PDF**).

I look forward to seeing your pictures on Seesaw or Twitter.
