If you would like to take part in weekly singing with lots of fun free songs, backing tracks and activities, try visiting the website called **singup.org** where you can **Sing Up** at home.

## **Breakaway by Kelly Clarkson**

Grew up in a small town  
And when the rain would fall down  
I'd just stare out my window  
Dreaming of what could be  
And if I'd end up happy  
I would pray

Trying hard to reach out  
But when I tried to speak out  
Felt like no one could hear me  
Wanted to belong here  
But something felt so wrong here  
So I pray  
I could breakaway

I'll spread my wings, and I'll learn how to fly  
I'll do what it takes till I touch the sky  
And I'll make a wish  
Take a chance  
Make a change  
And breakaway  
Out of the darkness and into the sun  
But I won't forget all the ones that I love

I'll take a risk

Take a chance

Make a change

And breakaway

Want to feel the warm breeze

Sleep under a palm tree

Feel the rush of the ocean

Get on board a fast train

Travel on a jet plane

Faraway

And breakaway

I'll spread my wings, and I'll learn how to fly

I'll do what it takes till I touch the sky

And I'll make a wish, take a chance, make a change

And breakaway

Out of the darkness and into the sun

I won't forget all the ones that I love

I gotta take a risk, take a chance, make a change

And breakaway

Buildings with a hundred floors

Swinging around revolving doors

Maybe I don't know where they take me

But gotta keep moving on

Moving on

Fly away

Breakaway

I'll spread my wings, and I'll learn how to fly

Though it's not easy to tell you goodbye

I gotta take a risk, take a chance, make a change

And breakaway

Out of the darkness and into the sun

But I won't forget the place I come from

I gotta take a risk, take a chance, make a change

And breakaway

Breakaway

Breakaway

Breakaway

## **Friend like me (from Aladdin)**

Well Ali Baba he had them forty thieves  
Scheherezad-e had a thousand tales  
But master your in luck cause up your sleeves  
You got a brand of magic never fails  
You got some power in your corner now  
Some heavy ammunition in your camp  
You got some punch, pizzaz, yahoo and how  
See all you gotta do is rub that lamp  
And I'll say

Mister Aladdin, sir  
What will your pleasure be  
Let me take your order  
Jot it down  
You ain't never had a friend like me

Life is your restaurant  
And I'm your maitre d'  
C'mon whisper to me whatever it is you want  
You ain't never had a friend like me

Yes sir, we pride ourselves on service  
You're the boss  
The King, the Shah

Say what you wish

It's yours, true dish

How about a little more Baklava

Have some of column A

Try all of column B

I'm in the mood to help you dude

You ain't never had a friend like me

Can your friends do this

Do your friends do that

Do your friends pull this out their little hat

Can your friends go puff

Well, looky here

Can your friends go Abracadabra let er rip

And then make the sucker disappear

So dontcha sit there slack-jawed, buggy-eyed

I'm here to answer all your midday prayers

You got me bona fide, certified

You got a genie for your charge d'affaires

I got a powerful urge to help you out

So what-cha wish

I really want to know

You got a list that's three miles long, no doubt

Well, all you gotta do is rub like so – and oh

Mister Aladdin, sir, have one wish or two or three

I'm on the job, you big nabob

You ain't never had a friend, never had a friend

You ain't never had a friend, never had a friend

You ain't never had a friend like me

You ain't never had a friend like me, hah!
