

PRODUCT LAUNCH!

The iPayimpact app is here!

Get ready for a better payment experience with the ultimate school payment app.

We're thrilled to announce that the much anticipated iPayimpact app has been released! With just a few clicks on their smartphone, parents and guardians can manage all school-related purchases in the palm of their hand.

The app is now available to download from the **Apple and Google Stores**. Parents with an active iPayimpact account can simply download the app and log in using their existing user details. Check out the new app below!

A reminder of what parents will see today

For existing iPayimpact users, this process is seamless. Here's how parents will see the new iPayimpact app:

- **Parent browser log in screen:** This has been updated to encourage parents to log in via the app and have new branding and logo.
- **Parent-facing banner:** This displays the app store links and lets parents know the app is now live.
- **School-facing banner:** Reminds school users that the app is launching.
