

East End Nursery Children's Handbook

East End Nursery

Welcome to East End Nursery. We are happy that you are joining us here. We hope that you will have lots of fun and that through play you will learn and develop skills for life that will enable you to become a successful learner, confident individual, responsible citizen and effective contributor.

Step inside, and you will see,

Lots of fun things in our Nursery.

In the morning are Mrs Dry and Mrs Brady too,

Mrs Claire Dry

Senior Nursery Nurse

Mrs Lorna Brady

Nursery Nurse

In the afternoon

Mrs. McQuigg and Mrs. Paton will help and have fun with you.

Mrs Louise McQuigg
Senior Nursery Nurse

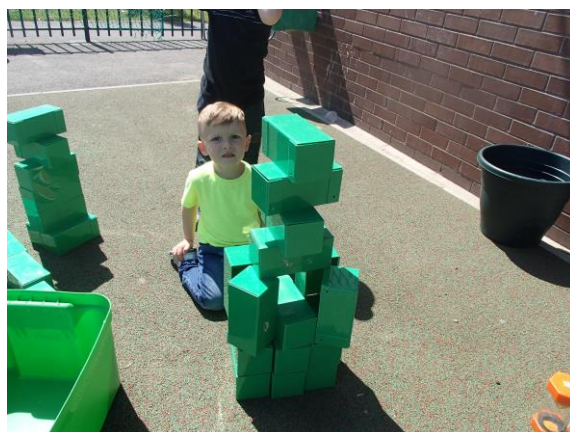

Mrs June Paton
Nursery Nurse

We could build a castle in the sand,
Or play with bubbles on our hand.

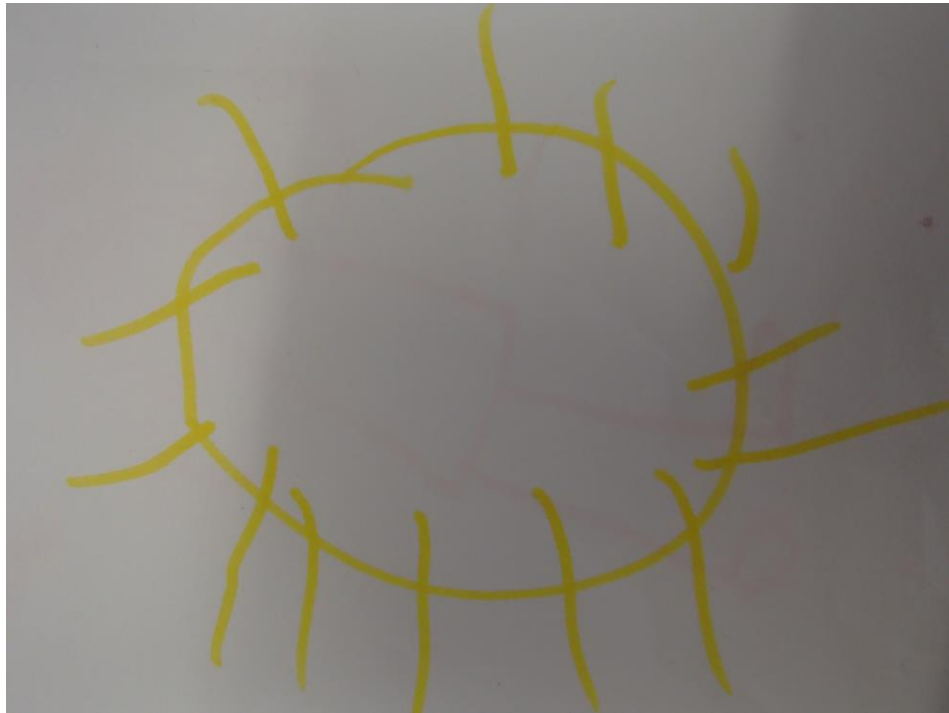

A house or a car built with lots of bricks,

Or head outside to play with sticks.

We play outside come rain or sun,
Hop, skip, jump, walk or run.

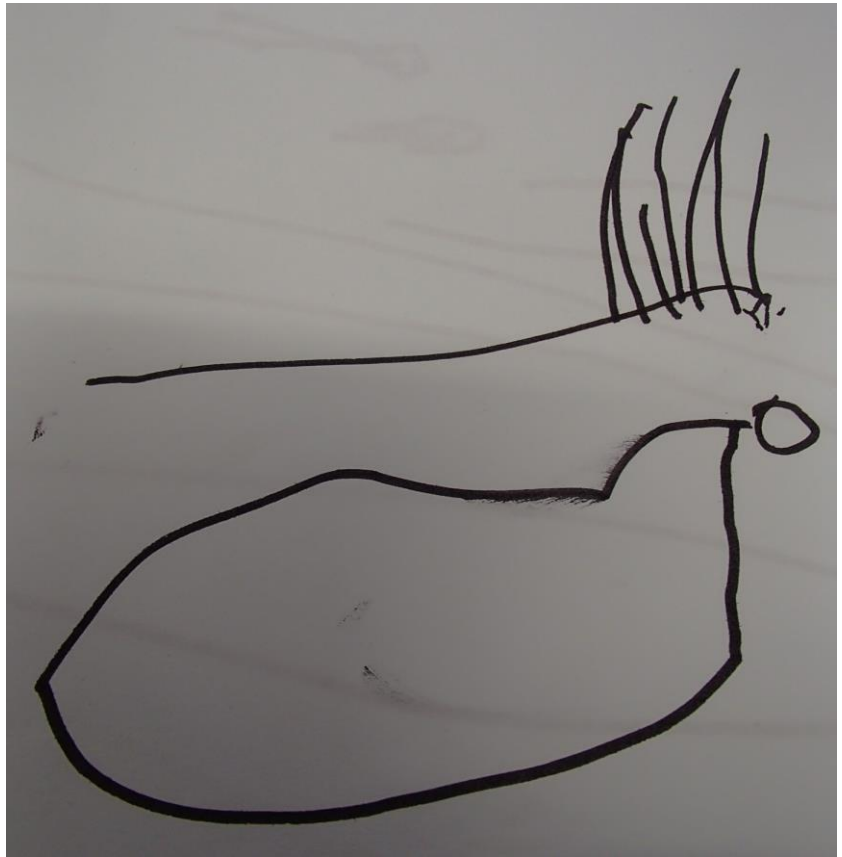

Washing our hands before we eat,

At Nursery we enjoy a healthy treat.

Brushing our teeth for a little while,

Leaves us with a healthy smile.

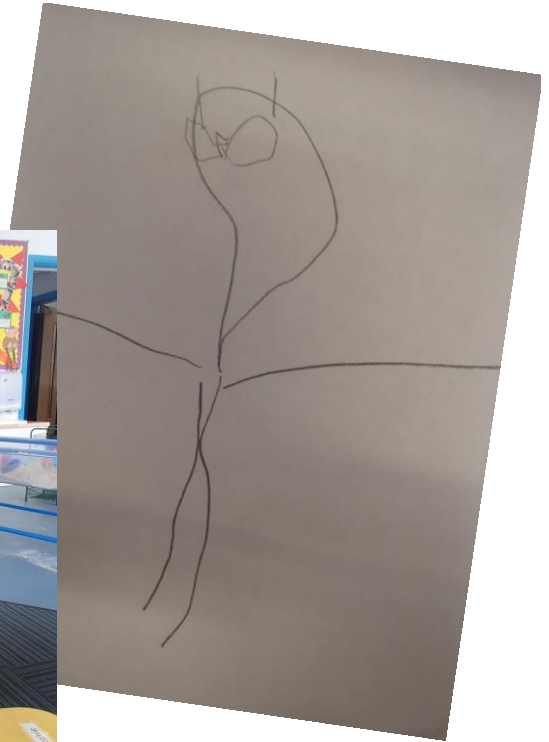

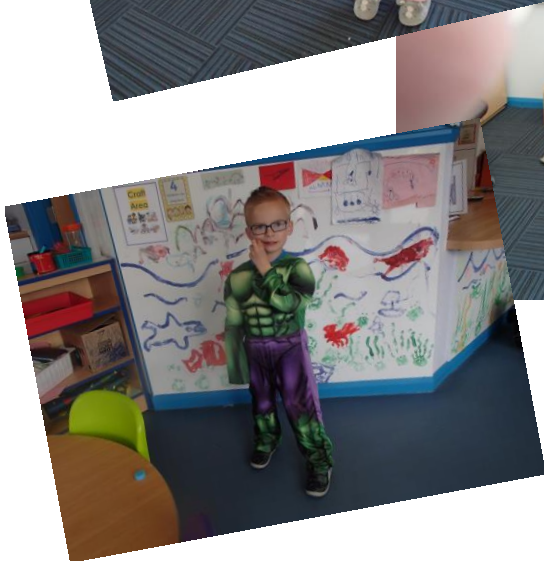

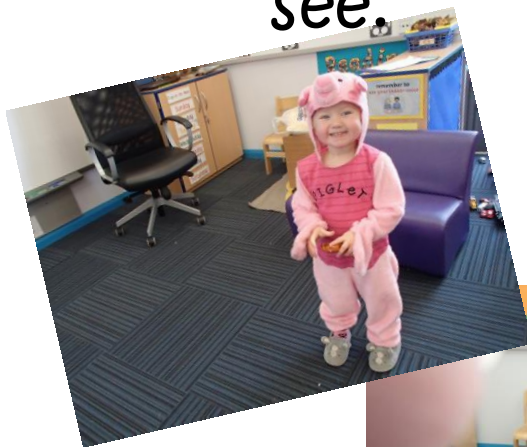

Counting Carefully from 0-10,
Writing and drawing with paint, pencil
or pen.

Let's get dressed up and pretend to be...

...your favourite character, look and see.

Sharing a story, our favourite book,

Busy in the kitchen, do you like to
COOK?

There are lots of things to see and do,
We can't wait for you to join in too!

Thank you for visiting.
We hope to see you soon!
