

EAST END Primary School Education and Social Care

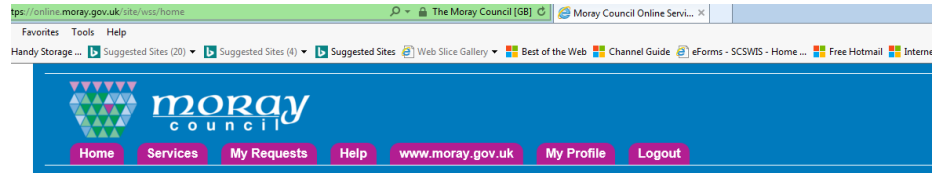

Subscribing to school closure email alerts.

As a member of the public, you can register for various notifications including school specific closure notices using the national secure portal set up by the Scottish Government. This also allows you to manage council servicers 24/7 including making online payments for school dinners. If you have not yet activated your account for school dinners, please contact the office and we can provide you again with the unique activation code for your child.

To sign up for notifications you must first be registered for **myaccount** – <https://online.moray.gov.uk/site/wss/home>

Once you are signed in you can access the email alert subscription page by clicking on to **Subscribe to email alerts**, found under the Quick Links section.

Welcome to your myaccount

Make the most of your customer online account. By using **myaccount**, you will always have access to a range of your council accounts and the services that are important to you, whenever you need it.
