Dear Parent/Carer – East End Primary School

### **New School Update**

I hope this letter finds you all well, as we adjust to a 'new normal' in these challenging times.

As you may be aware all construction work at the new Linkwood Primary School has ceased following government advice to the construction industry during the Covid 19 pandemic. Work halted towards the end of March with the site being made safe and secure according to industry requirements.

As a result, the new Linkwood Primary School unfortunately will not be completed by August and therefore the school will continue to be located at Linkwood Annexe within the grounds of East End Primary School until further notice.

We will endeavour to keep you updated on the progress of the new build and any timescales that relate to the delayed opening of the new school and any impact on East End Primary School as a result. This is disappointing news for everyone however understandable, given the current circumstances we are all facing.

I thank you for your understanding and patience in these challenging times and hope that you and your family remain safe and well.

Yours sincerely

**Lindsey Stanley**
