

Sleet & ice welcomed in 2020. Our House Captains planned & ran a very successful cake sale in aid of the Australian Bushfires.

P6 attended health & fitness sessions at Moray College & learnt how to keep fit & healthy. Our Special Person Sale was well supported, thank you. Great fun was had by all who took part in the sensory experience. A great effort was made by all in P7 when they pitched to the Parent Council during their 'Grow a Fiver' Initiative.

**February**

**March**

We were so proud of our cross country team, some placings were increased and 2 pupils returned with 1st & 5th place medals. As part of our World Book Day activities members of our local community read from and told us about their favourite childhood stories. Our Scottish country dancing team did themselves proud at the Moray Festival. Well done everyone.
