

# We are so PROUD ...

Dear Everyone,

Once again it is the end of another school session, and although a very different ending, it still provides us with the opportunity to reflect on the school year. It's important to take the time to appreciate all that has been achieved this session by our children through the many, many varied experiences that they receive here at East End Primary, as well as the activities you undertake at home as a family.

We continue to be a school that is PROUD of the individual, group and class achievements made and the steps which our pupils take, both big and small on their individual learning pathways.

Learning just doesn't happen in isolation in a classroom. Learning experiences are all around us in many forms and it's important to recognise these. The information and photos within this newsletter show only a sample of the wide variety of experiences and activities our pupils have been involved in within school before lockdown. I'm sure you could add many more to this from your time with your children at home.

Please take the time to sit down with your child/ren and discuss the content of this newsletter and look back at their home learning and the growth that they have made.

A warm welcome to our new P1 children who had great fun investigating lots of new equipment & toys.

The P6 children had a fantastic time at Abernethy Residential. P3/4 & P4/5 investigated coastal life at Hopeman beach. Our Big Breakfast was a huge success, raising money for charity. The P7 children ran amazing campaigns during the House Captain Elections.
