Respect and Enthusiasm

Christmas Information for Families *December 2021*

Now that December is fast approaching, I would like to take this opportunity to share information about all of our School Christmas activities for next month. Our **School Christmas Lunch** will take place on Thursday 16th December. Children can wear their Christmas jumpers/T-shirts/tinsel etc. to school for this day. School trousers/skirts should still be worn. We look forward to the delicious offerings from our kitchen!

Each class will hold a **Christmas Fun Day** as detailed on the left, where the children will be involved in lots of fun Christmas activities. These days are instead of class parties. On their allocated Fun Day, the children from that class can come dressed down in casual clothes for the day or wear their Christmas jumpers/T-shirts/tinsel etc. Please do not go out and purchase party outfits which may only be worn once.

If your child would like to send a Christmas greeting then this should be on one card addressed to the whole class, as there will not be a Christmas post box for individual **Christmas cards** at school. The class teacher will then display this in a prominent place within the classroom for all to see. Another option, and indeed an eco-friendly option, is to teach your child how to send their friends an e-card online. Using their glow e-mail, the children can locate their friend's glow email address by typing in their friend's name in the address panel.

Thursday 23rd December will be the **last day of term 2** and the school day will end at the usual time of 3pm. **Term 3 will begin** for all on Monday 10th January 2021.

From all at East End Primary, we wish you a Merry Christmas and a Happy New Year!

“A school that is proud”
