After a successful funding application to the Armed Forces Covenant Fund Trust, 24 pupils from **Burghead**, **Hopeman** and **Mosstodloch** schools enjoyed an unforgettable day of adventure with Outfit Moray!

Children from P4–P7 were split into three mixed groups, giving everyone the chance to meet new friends while taking on exciting outdoor challenges together.

MOUNTAIN BIKING FUN

Pupils zoomed along woodland trails, tackling twists, turns and even jumps! There were lots of smiles (and a few muddy faces!) as confidence grew with every ride.

BUSHCRAFT ADVENTURES

In the forest, children became mini survival experts—building dens, learning about fire safety, and enjoying tasty treats. Hot chocolate and toasted marshmallows were a definite highlight!

TYROLEAN TRAVERSE CHALLENGE

Working as a team, pupils crossed a gorge using ropes in a thrilling Tyrolean traverse. It was a fantastic way to build trust, teamwork and courage.
