Dear Parent/ Guardian,

Pathway Planning Careers Event - Tuesday 20th November 2018

The subject choice process is an important stage in a pupil's educational journey. It is vital that pupils have appropriate support, access to relevant information and the opportunity to reflect, as they strive to make informed choices to support their future plans.

In order to support our young people in this process, a Pathway Planning Career Event has been organised for pupils in S2 and S3 on Tuesday 20th November from 10.40am to 1.10pm in the Assembly Hall.

The 8 key employment sectors in Moray (Early Education and Childcare, Health and Social Care, Engineering, Construction, Food, Drink, Travel and Tourism, IT and Creative Industries, Business and Professional Services, Land Based) will be represented by more than 25 local employers. This is an ideal opportunity for pupils to consider possible future career sectors, find out the jobs within each sector and the skills and subjects required.

To support your son/daughter in the subject choice process, we would like to invite you to attend this event at the time allocated to his/her house group. Should this not be suitable then please do attend at a time more convenient to you.

S2 and S3 MAIR	Period 3	10.40 – 11.30
S2 and S3 OGILVIE	Period 4	11.30 – 12.20
S2 and S3 SMITH	Period 5	12.20 – 1.10

Prior to this event all pupils will have time in PSE to discuss their learning journey and consider subjects and careers of interest to them.

We look forward to meeting you on the 20th November but, in the meantime, should you have any questions please do not hesitate to get in touch.

Yours sincerely,

Mrs Lisa Bayliss
Mr Peter Geddes
Ms Emily Souness
