

Celebrating Success at Keith Grammar School Issue No. 5

World Photography Day

Marley Jones

Casey Rennie

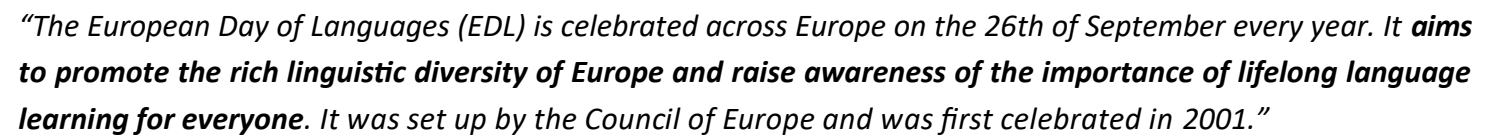

Lauren Innes

Fiona Stewart

Siobhan Donnison

The second last week of term 1 was a very busy week for the Modern Languages Department, as lots of events were organised through the week to celebrate European Day of Languages.

We would like to thank everyone who participated in all our events organized to celebrate the European Day of Languages, but special thanks goes to our Wider Achievement Languages Team who organized the events. Special acknowledgement to this fabulous S5 and S6 team: Alexandra Young, Memie Milne, Cassie Findlay, Katie Dunbar, Aria Carr, Dylan Ralph, Catherine McKenzie, Beth Smith, Sophie Riddoch and Ellie Lipphardt.

Our bake-off competition took place on the Monday 27th of September. It was a real success as we had lots of cakes/cupcakes/cheesecakes to judge. Not an easy task! Well done again for everyone who participated – you were really creative, and it has been a pleasure to admire your baking talents.

Our Wider Aspects Team chose Kate Rettie - S4 as the winner. Kate designed an amazing cake decorated with lots of European flags.

Very close in second position was Ellen Lague – S2 with a incredible number of flags on cupcakes. Well done Ellen!

And in third place was Rebecca Shylock with her beautiful Italian cake!

Kate Rettie

We would also like to give a special acknowledgement to Kirsty Simmers who called her cake “French Surprise” having the colours of the French flag on the outside and the ones from the German flag in the inside. It had huge success on our Twitter account @keithmodlangs.

Dress up day: We were really pleased to see our pupils/staff dressed up in the colours of Ukraine, France, Iceland, Sweden, Scotland, Ireland through the day on Monday 27th. Thanks a lot to our staff who participated too.

Library quiz: on Tuesday 28th thanks to our librarian Mr Leitch, we had our **European Day of Languages quiz** at BGE lunchtime where S1 to S3 joined and enjoyed discovering more about Europe, languages and culture. Super proud of Phoebe and Kirsty who won the quiz and thanks again so much to Mr Leitch who organized the quiz. Looking forward for more quizzes coming soon.

All donation received on Monday 27th (about £60) will go to a charity linked to languages that our Wider Achievement chose: the SLCO - Speech Language Communication Company. The charity is based in Dundee and supports the needs of children and young people who experience speech, language and communication problems and make sure that their families get the help and guidance they need. More information below.

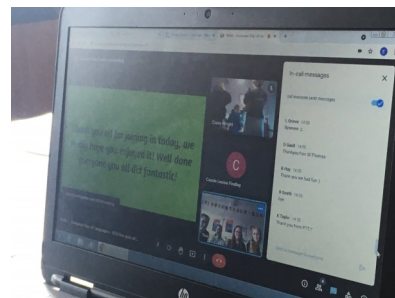

<https://speech-language-communication-company.uk/>

Primary live quiz: On top of all the events our Wider Achievement class organized for KGS itself, we also had them taking their leadership skills further, by having a LIVE quiz on Wednesday 29th with four of our primary schools: Keith Primary School, Botriphnie, Newmill and St Thomas.

Drum roll for the winning teams:

- Position 1 = Botriphnie Primary 2 to 7 - full house = 20 points
- Position 2 = Keith Primary School P5 - 17 points
Together with: Keith Primary School P7 - team 3 - 17 points
- Position 3 = Newmill Primary School P6-7 - 16 points

Through the Languages week, we also had two events going on. One being a list of challenges linked to languages that pupils would choose to do over the week.

And finally a **Staff Fact Hunt**, where pupils and staff had to find out which member of staff was behind each of the 14 posters displayed across the school. It has been quite challenging and for this reason, we have decided to extend this event until the October holidays. We can't wait to see if maybe one or more of our pupils or a member of staff is able to guess all 14 staff hidden behind their story.

S1 and S2 Language Olympics

All S1 and S2 French and German classes have been taking part in a series of weekly vocabulary tests this term to help build their vocabulary and study skills. Pupils have been encouraged to try different ways to learn their 10 vocabulary items each week from traditional ways, such as writing them out over and over again, getting a friend or family member to test them, to using technology such as Quizlet and Blooket for games based ways to revise vocabulary. Look out for Gold, Silver and Bronze certificates coming home very soon.

We are very proud of our WA team for their engagement, commitment and leadership in this project. We are looking forward to organizing future live quizzes with them as it was a huge success according to our primary schools:

'The children did enjoy the quiz. They especially liked the 'flags' round and they would have liked even more questions to answer'.

'My class really enjoyed the quiz and especially liked how it targeted a range of things so that it was inclusive of all ability groups'.

'We really enjoyed the quiz and the level was just right with some fun facts learned. Tell them it was an enjoyable afternoon and we look forward to more to come!'

Digital Learning Department

Cameron Mackie, Orla Innes and Harry Green have been the first in Mrs George's S3 Business class to be awarded a Bronze iDEA certificate. They have done amazingly well to work so hard and gain their Bronze award so quickly.

Fynn Chapman has done very well and not only got his Bronze award but Silver too! He achieved this earlier in the year during lockdown but is working in class to hopefully achieve his Gold. We are waiting patiently for iDEA to release the Gold award.

The Inspiring Digital Enterprise Award, known as iDEA is an international award winning programme that helps you develop digital, enterprise and employability skills.

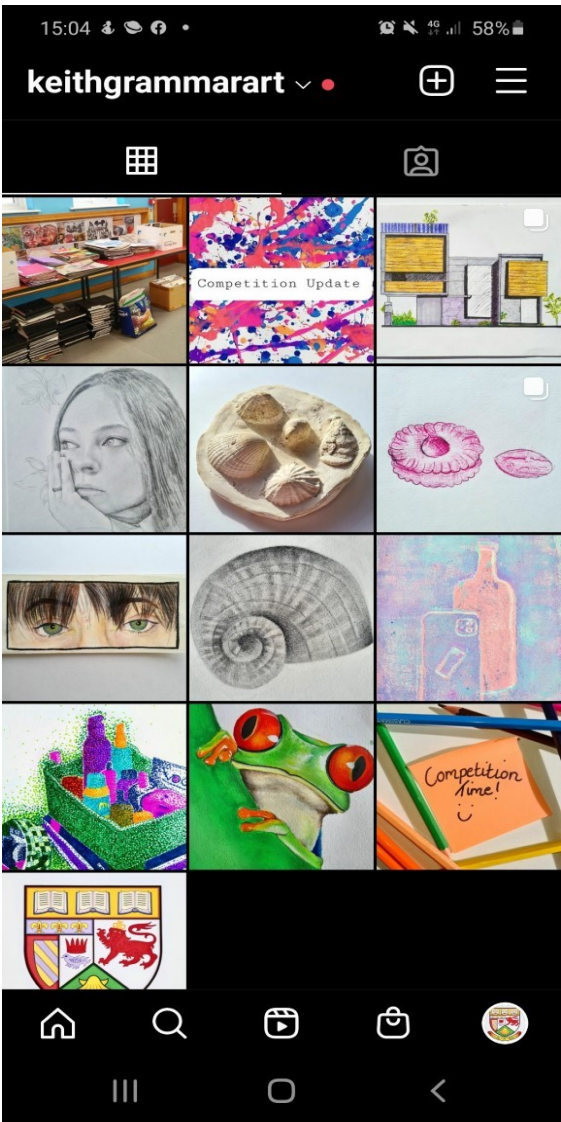

A great achievement that you will be able tell future employers about! Well done!

Respecting Schools – Silver Award

This year we are aiming to achieve our Rights Respecting Schools Silver Award. In 2020/21 our pupil steering group worked on a variety of projects including work on the school charter, delivering assemblies on rights, interviewing peers to identify any issues being faced by our young people during the first lockdown and organising the Clark’s Shoe Share. As a result of this we were re-accredited with the Bronze Award: Rights Committed.

Our young people can look forward to learning, through and for rights as part of our journey. Please follow our new twitter account @KeithGrammarRRS and keep an eye out for updates in our school newsletter.

‘The Art Department is now on instagram @keithgrammarart and are currently running a competition for an Instagram Logo. The deadline is the 28th of October. Like and follow for more competitions, challenges and updates!’

Active Schools Opportunities - Sports

- Active Schools supports volunteers to provide sports activities for primary and secondary school children out with school time.
- Sports opportunities for Keith Grammar Pupils currently include Rugby, Hockey and Netball.
- Our schedule for next term will be available to view at the start of term. They can be found at the link in the next bullet point.
- For those of you with primary school children, we have some activities happening in the October holidays. To find out more, visit this page:
o <http://sportinmoray.co.uk/mcsh/active-schools/active-schools-moray/keith-asg/>
Active Schools Opportunities – Young Leader Programme
- Our Young Leader Programme includes the offer of volunteering experience as well as training/qualification opportunities for children and young people aged 11-25 in the Moray area.
- Great for personal development, gaining confidence, Saltire Awards, CVs – and fun too!
- Young Leaders can be involved in many things including coaching, events planning, photography, and school sport council to name a few.
- We have a hoodie scheme, where participants earn different coloured hoodies when they have completed a certain number of volunteer hours.
- To find out more, visit this page:
o <http://sportinmoray.co.uk/mcsh/young-leaders/>
- Please feel free to contact the Keith Active Schools Co-ordinator:
