

Open Doors Pre-session 22-23

Programme of AGBC Breakout Room Sessions

2.15pm - 3.00pm

Sport: A Question of Sport

UHI Moray's version of the TV programme; Question of Sport. Two current students will be the captains and you'll be split into the captain's teams. You'll work together in a quiz format to answer varying things on sports at UHI Moray such as our courses and we will throw in some generic rounds too.

3.00pm - 3.45pm

Beauty Therapy: Programme Overviews

Four tables covering SCQF Level 4, 5, 6 and Microblading courses where a staff member and a student from each level will be present to talk about the student experience and opportunities that arise in their course. As well as the subject specific practical skills that students learn and develop, we will highlight the transferable skills that are invaluable from the student's perspective.

3.45pm - 4.30pm

Hairdressing: Open Table Discussions

Open discussions with our lecturers and current students will take place at different tables for each level of the hairdressing and barbering courses. Information will be shared on the practical and theory aspects of the programmes and will create opportunity for Q&A discussion. Throughout the discussions, there will be opportunity to hear about progression and career opportunity following completion of a programme. Visual aspects of the hairdressing provision will then be followed through in the AGBC Conference Room.

4.30pm - 5.00pm

The Virtual Learning Environment: Brightspace

What is the Virtual Learning Environment (VLE) and how is it used within the programme of study? This session is an interactive demonstration of the VLE and how Brightspace is resourced and utilised in the day-to-day delivery and usage within each aspect of the programme of study. We will also cover the benefits for the students and the components within all areas of the VLE.

5.00pm - 5.45pm

The Integrative Healthcare Experience

You will find out what Integrative Healthcare is and how it incorporates what are often known as Complementary Therapies. There will be an overview of the programme opportunities and what you can learn as an Integrative Healthcare student at each level, followed with a Q&A session.

You will learn and experience a short, seated massage to help ease muscular tension, and we will test your olfactory senses with a "Guess the Essential Oils" raffle.

5.45pm - 6.30pm

The Sports Therapy Experience

An overview of Soft Tissue Therapy and Sports Therapy and the progression opportunities available. Your Anatomy knowledge will be tested in a fun quiz, and you will have the opportunity to get involved in a Bone Palpation Experience. There will also be a Test Your Strength competition to see who has the strongest grip. A Q&A session will be active throughout the session.

6.30pm - 7.15pm

The 10 Step Pre-Induction Programme

An overview of the Pre-Induction 10-Step programme to help you transition into life as a student at UHI Moray. This session will look at each of the 10-Steps and the interaction of working with class colleagues, and staff within your programme. We'll also cover how you will be registered into the 10-Step programme and what insights you will gain from each of the steps.

You can also drop-in at any time during the day between 2.00pm - 7.30pm as all areas will showcasing activities or be available for questions throughout the entire event in either our AGBC Conference Room, our salons, gym or classrooms.
