12<sup>th</sup> January 2024

Dear Student and Parents      «Known\_as» «Surname» «Registration\_group»

I am delighted to be able to share with you the Subject Choice Information for 2024/2025.

As always we have tried our best to tailor our offer to our students' needs, taking into account their pathway planning information, future local labour force predictions and our capacity as one of the smaller schools. Students must plan their experience across all years of the Senior Phase of S4-6 rather than each year being an individual experience.

Our partnership work with Moray College UHI means we are able to access a wider range of appropriate experiences for our young people. Any pupil who is intending on going to Moray College, should discuss this with their Guidance Teacher first. Pupils must then submit applications online via the 'for schools' section on the Moray College web site: <https://www.moray.uhi.ac.uk/for-schools/>

Courses are now arranged by SCQF level as we are accessing such a variety of qualifications other than just Nationals and Highers. These alternatives are indicated on the Choice Sheet with information about the SCQF (Scottish Common Qualification Framework) available here <https://scqf.org.uk/support/support-for-learners-parents/>

All course information and other resources you may need to support your decisions can be found on the school website <https://blogs.glowscotland.org.uk/my/keithgrammar/course-choice/>. This is also where you should submit your course choices.

All course choices are to be submitted online via the Keith Grammar School web site. All current S3 pupils must have submitted their choices online by **Friday 26<sup>th</sup> January 2024**. The link for this can be found in the course choice section of the school web site. Alternatively, please click on this link below:

<https://forms.office.com/e/VBCyAiQRbZ>

S4 Students are expected to have 6 fully committed columns. This would normally be 6 qualifications. Two of these qualifications must include an English and Maths course in S4. You must therefore choose an English and Maths Course in two of the columns on the online form. Any young person who doesn't do this, will be allocated the appropriate English and Maths course in the relevant column.

You are welcome to contact the school via email should you wish to discuss your child's subject choice with the relevant Principal Teacher of Guidance. There is also an S3 parents evening scheduled for Tuesday 23<sup>rd</sup> January 2024. Information about this has been provided to you within this pack. This parents evening will take place in person at Keith Grammar School.

I understand how difficult course choice can be, particularly where the young person is unclear as to their plans. I wish you well and would remind you that we really are here to support you and your child. Please do not hesitate to get in touch if you think we can help.

Yours sincerely

Kevin Pirie  
Depute Head Teacher
