Milestones /LEVEL 1	Health & Wellbeing	Personal Achievement Award	Music	Numeracy	Art & Design	Literacy

Wider Achievement Courses 2023-24

Rank at least 3 options in order of preference (1 being first choice)

Numeracy and/or Personal Finance Award		Leadership	
Literacy		Politics	
Cakecraft		Computer Games Development	
Accounting		Photography	
Peer Support		Music Tech	
Sport & Fitness		Modern Languages for Life & Work	
Film & Media		English	
Young Stem Leader Award		Beekeeping	
Scientific Technology (level 6)		Music for Wellbeing	
Applied Science (level 5)			

S5 & 6 Students are expected to have 6 fully committed columns, one of which will support their transition to their initial post-school destination.

Column E indicates courses at Moray College. Details on school website (see link above).

In addition to courses listed it would be possible to study other Advanced Higher courses either here at KGS if numbers and staffing allow or through our existing partnerships at a range of neighbouring schools.

All students are expected to maintain an acceptable level of effort in all classes as well as make a regular contribution to the life of the school through, for example, serving as Prefects and assisting with House and pupil activities.
