Dear Parent

End of Term

We have reached the end of what has felt like a very quick term and I write to commend all members of the school community on their efforts over the last few weeks.

Our learners deserve recognition for all they do in terms of their hard work and living by the school values. We have an exceptional pupil body at Keith and you can be proud of their efforts.

As said previously, we have a big agenda this year to improve processes within the school. We have achieved a lot this term in that regard. We have also experienced an unprecedented number of changes within our support staff and we have relied on people to go the extra mile to ensure that the experience of our learners has not been impacted. I thank all staff for their on-going commitment.

Finally, a big thank you to you all. We get excellent support from parents and I think both the Colour Run and this week's parents' information evening are testimony to that. The Colour Run was a brilliant event so a huge thanks to all who organised and then helped on the day. We also raised £947 for the school on Wednesday at the Book Fair – a hugely impressive total which will help keep our library books up to date. We have also had a great number of orders for Cauliflower cards.

It is great for us to have parents through the door. If the council can get IPAD license issues resolved, we will be inviting you in to hear about our online profiles next term. We are also returning to a pre-COVID version of the Festive Fayre.

I will write in the new term with updates on both and a range of other things. In the meantime, we wish you a restful break.

Yours sincerely

A handwritten signature in black ink that reads 'Susan Buchan'.
