Dear Parent

End of Session

Session 24-25 has passed in what feels like a flash. Ultimately, we can look back on the year with a great deal of satisfaction and pride.

A great deal has been achieved in terms of school improvement and our learners have worked hard and with great purpose over the course of the year.

This term, in particular, has been incredible with many events which bring the school alive such as an a visiting 'Railway Children' show, Scottish opera, a concert by Keith TMSA musicians, sports day and our Scots poetry competition.

The term has culminated in the extraordinary efforts of our community in to smash the MFR schools challenge.

The process of procuring equipment will now begin in earnest and we are committed to consulting with those who helped raise the money to ensure the funds are spent in line with the spirit of the fundraising.

We have worked in recent days to try to compile a list of those who have contributed to the fundraising. There will be many 'hidden' contributions that we are not able to acknowledge. There may also be gaps in our intelligence so, if we have missed anyone, please let us know so we can extend our thanks.

When written down, it really shows the scale of the effort!

Sadly, we say goodbye Mrs Wallace (who has been teaching P6W). Mrs Wallace has now completed her first year of teaching with us and we thank her for all her hard work and the care she has taken over her class. We also say goodbye to Sandra Armstrong (who has been our Home School Link Worker for some years). Sandra is retiring and will be hugely missed by the pupils and families she has supported. We wish her well.

Please remember, like last year, there are two INSET days at the start of term so we look forward to welcoming everyone back on Wednesday 20th August.

On behalf of the team at Keith Primary, I wish you all a happy and restful summer break.

Yours sincerely
