

KPS Playground Developments

Pupils had been thinking about and asking for something “big and exciting” to play with in the playground area for a while...

We decided to take part in the MFR School Challenge where schools compete to raise the most funds for their school over a set period, with the ability to keep everything they raise while competing for extra cash prizes.

We thought taking part in the MFR challenge would be a great way of focussing our efforts to try to raise funds for the desired playground developments and a trim trail.

We were blown away with the support we received from the Keith community. From the creative ideas and hard work pulling events together, to our very generous supporters – pupils, teaching and support staff, KPS canteen team, Janitors and Cleaners, as well as parents and wider family members and local businesses.

*thank
★ you ★*

Altogether we raised a staggering **£38,459** which ensured the pupils hopes and dreams for the playground could become a reality.

After raising the funds we then set about researching what pupils actually wanted, what different companies could offer and prioritising choices to fit in with our budget.

All pupils and staff were consulted and had the opportunity to vote for preferred items and then different design options, before choosing the final winning design from Scotlay.

Items were ordered just before Christmas and we have an installation start date for 30th March! So when the pupils return to school after the Easter break they will have the new equipment in the playground to explore and play with. Happy days!

Winning design and planned layout below:

1 Inclusive Orbit Roundabout with wetpour safety surfacing

2 Supernova with wetpour safety surfacing

3 Swing Bars with wetpour safety surfacing

4 Zig Zag Stepper, Combo 10, Skiddaw, Zig Zag Stilts & Jungle Walk

5 Eco Chimes

6 Bongos

7 Virtuoso Tongue Drum Flower

8 Inclined Twine

9 Wobble Board

Music Area

Keith Primary School
