# MORAY SUMDOG CONTEST

2

Keith Primary School pupils took part in the Moray wide maths contest between the 26<sup>th</sup> of Jan and 30<sup>th</sup> of Jan 2026. 136 pupils in our school took part with many of them answering all 700 questions - a huge achievement!

3 Classes were Daily Champions throughout the week as Moray Wide Winners! Well done to P3DH, P2F and P2C who were all awarded top banana stickers and frog points!

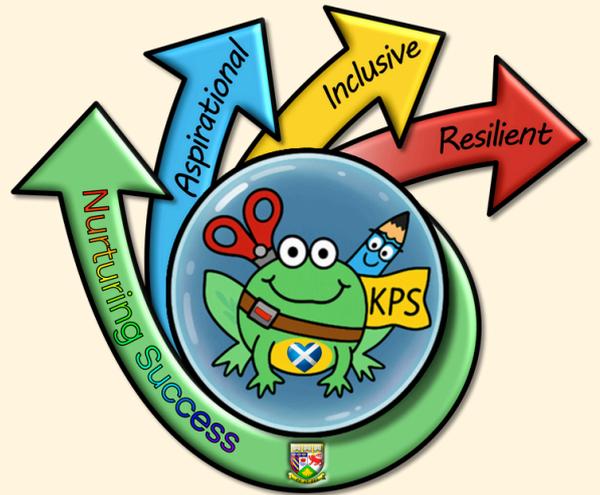

## P2C

Huge congratulations to P2C whom were the overall competition winners gaining first place. A certificate of merit was awarded.

We give our thanks to all the parents who supported behind the scenes with over 150 pupils accessing sumdog from home throughout the week. It really is a partnership and we couldn't do it without you. You have really helped to bring our school vision to life - Nurturing Success!

We also are celebrating the success of two pupils who were incredibly Aspirational and resilient and managed to make it into the top 10 Moray wide. This is a huge achievement and well done to both!
