

# LEARNING ACROSS THE 4 CONTEXTS AT KEITH PRIMARY SCHOOL: JAN & FEB 2026

## Opportunities for Personal Achievement

Here are our P7s enjoying transition activities organised by Active Schools. It's great to see some ex-pupils helping out!

P5H explored the new outdoor classroom last week. They came up with lots of ideas on how it could be used for outdoor learning.

Staff in the school have completed online training about how to support pupils who are care experienced. In January the school was awarded 'The Promise'

P1Mc are loving their Tonie box and stories. Thank you so much Santa!

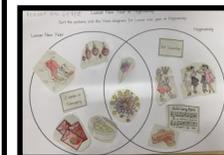

Ethos and life of the school as a community

## Interdisciplinary Learning

The final piece of P2C's IDL project was a live video call with the team in Antarctica. They got to ask questions and even got to see out of the window and hear about jobs they might like one day in Antarctica!

At the beginning of our IDL, P3D worked together to sort Lunar New Year traditions and Hogmanay traditions using a Venn diagram. They used their previous knowledge and Sense Making skills to identify the different traditions as well as the similar traditions.

P6-7G have been learning to play badminton and finished the block of learning with a doubles tournament. Dylan and Billy were the winning pair.

P1EM have been focusing on the story 'The Scarecrows Wedding' for Talk For Writing. The children drew scarecrows making sure to include lots of detail! They then added in sounds and/or words to label them and used their labels to help them construct a sentence.

# LEARNING ACROSS THE 4 CONTEXTS AT KEITH PRIMARY SCHOOL: JAN & FEB 2026

## Opportunities for Personal Achievement

P6 pupils have been enjoying supporting P1 learners in Active Start. This partnership nurtures confidence and independence in our P1 learners, while also providing valuable leadership experience for our older pupils.

For their writing task, P3DH pupils had to identify 10 positive things about KPS to attempt to convince a prospective new pupil to join us. They are very proud of their school and their teacher is very proud of them. Great lists!

## Ethos and life of the school as a community

## Interdisciplinary Learning

P7T learning about animal communication and sound waves.

P5BW have been learning about natural disasters. Here are some boys collaborating to make hurricane proof towers.

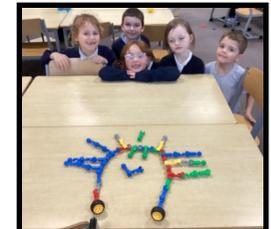

P4H enjoyed a virtual lesson with Frances from the Electric Voice Theatre. They were very excited to hear the songs they wrote and recorded all about famous Keith marine biologist Dr Isabella Gordon last term. The songs will next be edited into a performance video over the next few weeks and the children can't wait to see it.

P4MH are currently exploring a variety of gymnastics skills in P.E.

P2F have been writing stories about superhero robots and they have had fun creating their own using loose parts.
