

Keith Primary School

Term 4 Update 2

SQUISHY TOYS

We've had some instances of squishy toys, that have been taken from home, being trampled into carpets causing issues for cleaning staff. We respectfully ask that toys are kept at home – especially those that can burst.

TERM 4 EVENTS

We've had an exceptionally busy term with lots of events including M&M Productions, the Nick Morgan Visit and Allan's Road Safety Magic Show with more to come. In recent days we've had an excellent Colour Run and Sports Day. We thank the Frog Squad and all school staff who have worked hard to ensure these days are memorable for all.

READING CHALLENGE

Reading for pleasure has lots of benefits. As well as being fun, it is a great way of boosting academic achievement. As ever, Moray libraries are running a summer reading challenge. It would be great to get more Keith PS pupils involved. You can find more information here - [Keith and Speyside libraries Facebook group](#)

WORLD CUP DAY - 12TH JUNE

To mark the beginning of the World Cup, pupils are, again, invited to wear something World Cup themed. This could be Scottish, of course, but could also celebrate any of the countries taking part. No donation required.

Upcoming Events
